Initial Meeting Notes

Creative Director - William Kanu
Designer - Jamie Xu

The Office Website

- Informational
    - Episodes
    - Character Bios
    - Season synopsis
        - Hilights of each season
- Stick to a traditional format
- Include funny videos and clips that could potentially play in the background
- Make nav bar interesting
- More image and video heavy for seasons

Colors and fonts:
- The red office type
- Actual site could be brown and blue - officey colors
    - Neutral colors

Mobile:
- Nav bar might change
- Side swipe instead on drop down
- Change in image placements
